

END OF YEAR CLASS SURVEY

End of Year Class Survey

Please fill out this form about your experience in Miss DeLong's class.

This is a survey I gave to my students. I recommend going to the responses tab and creating a spreadsheet for the answers.

END OF YEAR CLASS SURVEY FOR GOOGLE FORMS

DESCRIPTION:

Students will complete a google form that is an End of Year Class Survey. You will need to edit the form and change to your name and classes. I also recommend going to the responses tab and creating a spreadsheet for the responses. I wanted my survey to be anonymous so I did not ask for their names or email addresses but you are free to change that as well.

ACTIVITY DIRECTIONS:

1. Download the activity to your Google Drive by [clicking this link](#).
2. When you click on the link, a screen will appear. Click "**Make a copy**".
3. There are two ways to share with students.
 - If using google classroom just create the assignment like normal and then attach the form from your google drive.
 - If using a different platform go to your google drive and get the sharing link. **Edit the end of the link** by changing the **/edit?usp=sharing** to **/viewform**. The link itself should work but it will share the form and ask students to request access. Be sure to change the end of the link to avoid that issue.
